What you need:

- a picnic basket for each team, each packed with...
- a blanket
- dishes
- plastic cutlery
- food and other picnic materials

The goal of the game:

- to be the first team to complete the picnic relay to unpack a picnic basket, set up the picnic, tear down the picnic and repack the picnic basket as quickly as possible in relay mode

How to play:

- divide the children into teams and get them to line up one behind the other
- demonstrate how the picnic needs to be set up and packed up
- place a full picnic basket in front of each team
- when the leader calls 'Start', the first players of each team start off unpacking their team's picnic basket into picnic mode, then packing it all away again
- they then place the basket in front of the second player, who then has his / her turn
- the game is over when all teams' players have completed their turn and the winner has been identified
